Some important points about this Public Liability Insurance.

- ✓ Please take sensible precautions when running a show or event to lower your risks of someone being injured and taking action against your Club. Even though you have Public Liability Insurance you still have a duty of Care to your members and to the public. We recommend you always have signage to warn people of any dangers – including poking fingers at bunnies. Also usual Occupational Safety and Health provisions apply.
- ✓ If you have any concerns please contact Jardine Lloyd Thompson directly.
- ✓ If any person wants to make a claim, ask them to contact JLT. Do not become involved as a Club but always direct the possible claimant to JLT direct.
- ✓ If you have any queries or concerns about your Cover, please contact JLT details are on the Certificate of Currency.
